# Ideal Career Criteria Activity

1. Imagine walking through your ideal and dream workday.
2. Write down what you, say, do and experience from the start to the finish.
3. Add broader aspects such as desired salary, vacation time and benefits.

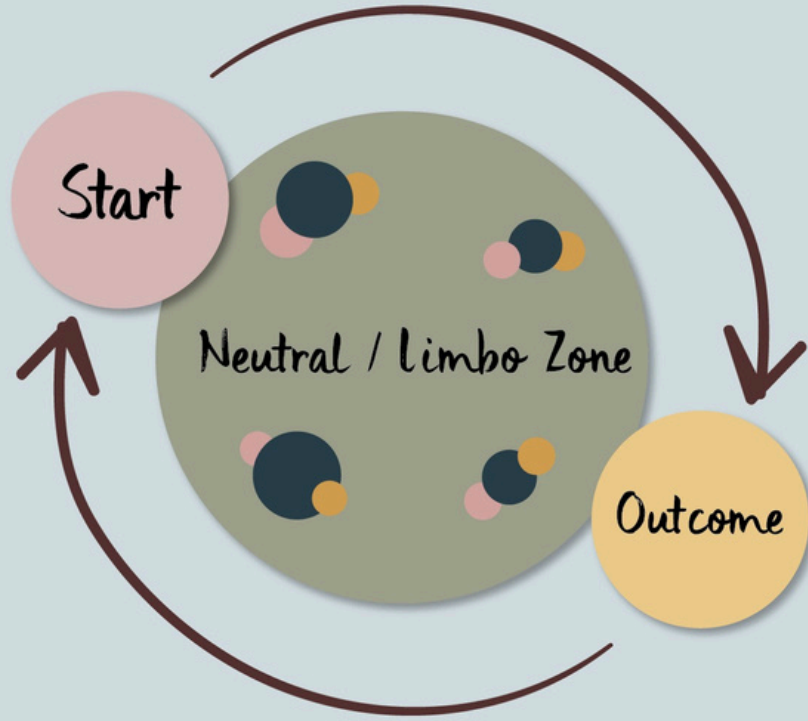

A field of tall, thin stalks with glowing yellow spheres at the top, set against a clear blue sky. The spheres are of varying sizes and are scattered across the field, creating a sense of depth and height. The stalks are thin and dark, contrasting with the bright yellow of the spheres and the blue of the sky.
